AROUND THE TOWN

Mr. and Mrs. R. B. Martin of Banff were spending a few days visiting friends here last week.

Mr. R. W. Cole of London, Eng. has been appointed to the Didsbury branch of the Union Bank.

Mr. and Mrs. F. N. Ballard returned from their visit to eastern Canada and the States on Thursday last.

Mr. N. Brusco, of the firm of Durrer and Brusco, was a visitor at Calgary over Thanksgiving day.

Several hunting parties left town on Thanksgiving day for a days shooting and all returned with good bags of prairie chicken, partridge and rabbits.

"Threshing operations in this district have come to a standstill because of the recent light snow-fall and the spell of cold weather that has set in.

R. F. Sanderson, who was formerly a resident of this district but who has been conducting a hardware business at Alix, has sold out to E. McClung.

The time will soon be here when the click of the "Stanes" on the ice will be heard, and the familiar salutation will be "Are ye goin to curl the night, mon."

The Woman's Auxiliary of the Church of England extends its hearty thanks to those who assisted in any way at the Bazaar held in aid of the Church on October 26th.

If the Didsbury real estate men were like the Calgary hustlers they would now be out selling lots at the Dog Pound creek as a suburb of Didsbury because the C.P.R. are going to put in a big pumping plant there.

The Western Globe of Lacombe issued a special edition last week and is to be congratulated on its get-up. It contains some interesting reading matter about the northern city and also some fine cuts.

The services in the Evangelical Church for next Sunday are as follows:—Sunday School at 2 p.m.; immediately after the Sunday School, German service; English service at 7.30 in the evening.

Mr. and Mrs. J. J. Lang of Three Hills arrived in town on Monday and will reside here for a short time. Jake is back again at his old trade, and has accepted a position with W. Miner in his barber shop.

The death of Mrs. Moore of Westcott occurred at Calgary hospital on Monday morning after a lingering illness. The funeral took place at Didsbury on Wednesday afternoon, services being held at the Evangelical Church.

The subjects for the services at the Baptist Church on Sunday next will be as follows: In the morning at 11 o'clock "How he found a way out." In the evening at 7.30 "Sowing and Reaping." All are heartily invited, Harvest Thanksgiving services.

An exciting runaway occurred on Thursday noon when a team belonging to Mr. J. Johnston ran away on railway street. Mrs. Johnston was driving at the time. The team upset the wagon throwing Mrs. Johnston out, but we are glad to report that she did not suffer any injury with the exception of a few bruises.

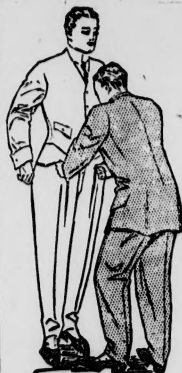

R. H. Ward, of Nova Scotia, organizer of the Good Templars (I.O.G.T.) will visit Didsbury shortly for the purpose of instituting a lodge of that order. Good Templars, and others interested in the work, will confer a favor by forwarding their names and addresses to R. H. Ward, care of this office.

Why is the public school build-
ing not properly warmed for the
scholars? This question is being
asked by some of the parents who
have children going to school in
Didsbury and who go to their
homes complaining of the way
the school is heated. The same
complaint was made last year by
the scholars. Some of them state
that the teachers give them a
drill every once in a while to
warm them up and that the
schoolhouse is not warm enough
until noon. It is to be hoped that
the School Board will look into
this matter thoroughly and find
out where the trouble is because
it certainly endangers the health
of the children to have them sit
in cold rooms for hours. The fact
that storm windows have been
put on the building will help some
but if the heating apparatus was
started up an hour or two earlier
in the morning it would do a great
deal better work.

All sections of Alberta are con-
gratulating the southern portion
of the province in winning the
Grand Challenge Trophy as well
as a large number of other big
prizes at the recent International
Dry Farming Congress held re-
cently in the States. Lethbridge
has also succeeded in procuring
the next Congress for that city
next year, and is also to be con-
gratulated as the Congress not
only brings a large number of
the best farmers of Canada and
the States together but also of
other countries, and the amount
of advertising that both the city
of Lethbridge and the province
will receive through it will be of
untold value. However, it should
be distinctly understood that the
whole of Alberta is not to be in-
cluded in the dry belt, and that
dry farming is not the method
needed in the more northern por-
tions of the province.

During the last week quite a
few eastern financiers visited
central and western Canada, most
of them on business in connection
with investments. Outside cap-
italists are taking more interest
than ever in the opportunities
offering in these provinces, and
the indications are that next
spring will see a great increase in
the volume of money flowing in
this direction for commercial and
industrial development. . . . The
crop money is now finding its way
into circulation, and if the bank
clearings are any criterion to
judge by, conditions are satisfac-
tory. The Winnipeg bank clear-
ings last week totalled \$32,015,307
compared with \$24,680,374 in
the corresponding week last year,
an increase of more than \$7,000,
000.—Commercial.

6 YEAR OLD GIRL Cured of Kidney Trouble

Mrs. Alex Moore, of James St., Ox-
ford, N. S., says: "Booth's Kidney Pills
cured our little daughter, Christian, aged six
years, of many symptoms of kidney weak-
ness. She complained of a sore back, the
kidney sections were frequent and uncon-
rollable, especially at night. Her stomach
was weak and her appetite poor. This
caused her to have
frequent head-
aches, and the
least exertion
would trouble her. We
had tried many
remedies, but she
did not improve.
Finally we learn-
ed of Booth's
Kidney Pills and procured a box. In a
short time she was well and does not now
complain about her back, the kidney sec-
tions have become normal, and she plays
around the house with no apparent fatigue.
We always recommend Booth's Kidney
Pills."

be refunded. Booth's Kidney Pills are a

Huge C. P. R. Dam at Bassano, Alta.
The Canadian Pacific Railway report good progress in connection with the construction of their big dam at Bassano, Alta. This dam is being erected by the Irrigation Department of the Canadian Pacific Railway to divert water from the Bow River into the main canal of the east section of the irrigation block. It will consist when completed of an earth embankment on the south bank of the Bow river, and a reinforced concrete spill in the existing river channel, connected at the north end with the canal headgates. The river is approximately 600 feet wide at this point, its south bank having a gravel beach several hundred feet in width, at the thicker part of the base, containing approximately one million cubic yards of earth. Its upper surface will be paved with boulder concrete or reinforced concrete slabs.
The total length of the weir will be about six hundred feet, another construction will be about 720 feet in length, between abutments. The overtop crest will be at a maximum height of 40 feet, above which elegant concrete-arched spill will be eleven feet of water will be retained by structural steel gates.
The spillway will contain about 40,000 cubic yards of concrete, and 1,200 tons of reinforcing steel.
This dam of the C. P. R. at Bassano is probably the largest which is now being built in Canada.

A Ready Weapon Against Pain.
There is nothing equal to Dr. Thomas' Electric Oil when will rubbed in. It penetrates the tissues and pain disappears before it. There is no known preparation that will reach the spot quicker than this medicine. In consequence it ranks first among liniments now offered to the public and is accorded first place among all its competitors.

Children are apt to look forward to the time when they are grown up, imagining they can then make all the noise they want; but they usually find that some other fellow is making a greater noise than they can make, and they spend their childhood, in listening.

BABY'S OWN TABLETS

USED FROM BIRTH
Mrs. H. V. Ossinger, Tiverton, N. S., says: "We have used Baby's Own Tablets since our little boy was three months old and know of nothing to equal them. He is now twelve months old and has always enjoyed perfect health. Baby takes the Tablets easily and we always keep them in the house." Mrs. Ossinger's experience is that of thousands of other mothers. An occasional dose of the Tablets will keep the well child in excellent health, or if the baby is ill with any of the many ailments that afflict little ones, they will speedily restore him to health again and make him thrive and grow fat, rosy and strong. Women's Secrets

There is one man in the United States who has perhaps heard more women's secrets than any other man or woman in the country. These secrets are not secrets of guilt or shame, but the secrets of suffering, and they have been confided to Dr. R. V. Pierce in the hope and expectation of advice and help. That few of these women have been disappointed in their expectations is proved by the fact that 98 per cent. of all women treated by Dr. Pierce or his able staff, have been absolutely and altogether cured. Such a record would be remarkable if the cases treated were numbered by hundreds only. But when that record applies to the treatment of more than half-a-million women, in a practice of over 40 years, it is phenomenal, and entitles Dr. Pierce to the gratitude accorded him by women, as the first of specialists in the treatment of women's diseases.

Every sick woman may consult us by letter, absolutely without charge. All replies are mailed, sealed in perfectly plain envelopes, without any printing or advertising whatever, upon them. Write without fear, as without fee, to World's Dispensary Medical Association, Dr. R. V. Pierce, President, 663 Main Street, Buffalo, N. Y.

HE COULD NOT SLEEP AT NIGHTS

TILL HE FOUND RELIEF IN DODD'S KIDNEY PILLS

Fred. Swanson, of Saskatchewan sends a message of cheer to those who feel the weariness and discouragement that comes from broken rest.

MacKlin, Sask. (Special).—Those who suffer from sleepless nights and get up in the morning feeling tired and discouraged will find relief in the statement made by Fred Swanson, of this place. He could not sleep at nights. He discovered the cause. It was kidney trouble. He discovered the cure. It is Dodd's Kidney Pills.

"Yes," Mr. Swanson says in an interview regarding his case. "I was troubled with my kidneys for over a year, so bad that I could not sleep at night. After using one box of Dodd's Kidney Pills I found great relief. Four boxes removed all my pain and now I sleep well and I am as strong in the kidneys as I was in the first place. If the kidneys are wrong the blood becomes clogged with impurities and natural rest is an impossibility. Strong, healthy kidneys mean pure blood, and life all over the body. That is the reason that Dodd's Kidney Pills always make strong, healthy kidneys."

Spring Stives

"Have you any absorbers, Mr. Kelly?" asked Mrs. O'Brien.
"And phantoms' absorbers?"
"Why, people you spring from?"
"Listen to me, Mrs. O'Brien," said Mr. Kelly impressively. "Of course the role of the phantoms that spring from nobody. They spring at them." —Catholic Tribune.

"First Aid to Injured" Competition

The announcement is made that the Canadian Pacific Railway has planned a big competition for the members of its "First Aid to the Injured" classes.

The Canadian Pacific line goes into the matter very thoroughly and it is now the foremost railway in America in looking after its employees.

In the competition to be held in a few weeks practically every man on the Company's lines holding a certificate will be entered. The competition will take the form of a five-cent contest in which there will be five teams to the team.

First of all examinations will be held to determine the champions of the lines East and West of Fort William and Port Arthur, and finally these latter two teams will meet to decide the Champion team of the C. P. R. system.

In each division the winning team will receive a silver cup and medals given by the General Superintendent for the members of the Eastern and Western lines competition.

There will be shields given by other officials of the C. P. R. and a team winning the Championship of the whole system there will be a beautiful shield given by the Hon. W. Nesbitt, of Toronto.

Among the cities which will be represented in this competition are Halifax, St. John, Montreal, Ottawa, Toronto, Winnipeg, Calgary, Vancouver and Victoria.

Out of Pocket.
He was a rather over-dressed youth and attracted much attention when he entered the car. He occupied the only vacant seat beside a rather elderly gentleman. When the conductor came for his fare he fumbled for his money and then suddenly became very pale.

"Oh, I've been robbed!" he gasped.
"There is nothing but a bit of an old cigar in my pocket."

"My boy," said the deep bass voice of the man by his side, "would you mind taking your hand out of my pocket?"—Ideas.

Muzzled.

"Did you see one?" snickered Harry C.
"Which one, Harry?"
"Two-ho! Two-ho!"

"Control yourself, Harry."

"A man who had to muzzle his dog took it to a laundry to have its muzzle done. Oh, say! Why don't you write one like that every once in awhile? Hey, look out! You're upsetting the lark!"—New York Evening Sun.

Their Bungalow.

"See anything of Jim Piffers while you was up to the city?" asks the village grocer.

"Yep. Run across him on the street one mornin'," answers the worthy butcher who has just returned to the little town.

"Understand Jim's livin' pretty well up there?"

"I dunno. Ast him where he was livin', an' he told him an' his family was settlin' in a bungalow in the country."—Judge.

A druggist can obtain an imitation of MINARD'S LINIMENT from a Toronto house at a very low price, and have it labelled his own product.

This gross imitation is the poorest one we have yet seen of the many that every Tom, Dick and Harry has tried to introduce.

Ask for MINARD'S and you will get it.

Not the Same

A child of strict parents, whose greatest joy had hitherto been the weekly prayer-meeting, was taken by its nurse to the circus for the first time. When he came home he exclaimed:

"Oh, mamma, if you once went to the circus you'd never go to prayer-meetings again in all your life!"—Littell's.

Relief for Suffering. Everywhere, where life is made miserable by the suffering that comes from indigestion and loss of sleep, the use of BEECHAM'S PILLS does not know how really this formidable foe can be dealt with. These pills will relieve where others fail. They are the result of long and patient study and are confidently put forward as a sure course of relief for the digestive organs, from which so many suffer.

Mr. Newland (grudgingly)—"I could tell you myself."

Mr. Newland (after a pause)—"And you are going to cook the contents next time?"—Puck.

Sawyer—"Has your wife left your bed and board?"

Nagley—"Yes, that's about all she has left me."—Judge.

"You still assert that competition is the life of trade?" "Oh, yes," replied Mr. Diction. "But we don't care to compete for a chance to sell our goods. What we want is to find people with the money and competing for the privilege of buying them."—Washington Star.

To Mr. and Mrs. Abraham Dyck, on Saturday, October 28th, 1911, a son.
To Mr. and Mrs. Bert Pross, on Tuesday, October 17th, 1911, a son.

A rally day service was held at Berlin school house on Sunday. The children had the greater part of the service.

There will be a Band Concert and Box Social at Neapolis school house on Friday night, Nov. 3.

Miss Myrtle Pierson of Carstairs visited friends in this vicinity for a week.

Guy and Richard Oldham are located at Carstairs for a month.

I like to talk of pleasant things that make one's spirit light, so when some dreary gossip brings a tale that reeks with spite, some stale and diabolical anecdote about a neighbor's fault, I straight away get that gossip's goat and tell him he must wait. "This life is short, my friend," I say, for us poor mortal skates, and every man who goes his way has got some foolish traits. But every man, as you will find if you should seeking start, has some good qualities of mind, some virtues in his heart; and I have found it better far to help poor human joys to hitch their wagons to a star, by giving words of praise, than to discourage them and work by saying bitter things; so wick your head and take a walk and don't come back, by jings!

NEAPOLIS W. C. T. U. NOTES.

The next regular meeting of the W. C. T. U. will be held at Berlin on Thursday at 3.30. Everybody welcome.

Prizes For Wheat \$300 MOTOR CYCLE

The prize of \$1,000 in gold offered by Sir Thomas Shaughnessy, president of the C. P. R., for the best 100 pounds of hard red wheat, grown in America, and shown at the forthcoming land show at New York this month, is arousing great interest among the Western Canadian farmers.

The show, which will be the biggest of its kind yet attempted and is being supported by all the leading land and irrigation interests in America, is bound to be a success. Sir Thomas Shaughnessy's prize is not the only one of that magnitude that has been offered, but it is relatively the most important as whereas the United States prize givers have been careful to limit the competitions to United States farmers, Sir Thomas has shown his firm confidence in Canadian products by throwing the contest for his prize open to all farmers of the continent of America.—Commercial.

"Home Again"

The Beautiful Picture for "Family Herald and Weekly Star" Subscribers this Season. An Inspiration of Love and Affection—A Picture that will be Like a Member of the Family—A Daily Study for Old and Young

The Family Herald and Weekly Star of Montreal, acknowledged to be the greatest and best family and farm paper on the continent, has on many occasions given its readers most delightful premium pictures, but this season they have secured what is beyond any question a doubt the best picture ever offered newspaper readers. It is entitled "Home Again" and describes a touching but joyful incident between two friends who meet after anxious separation.

"Laddie," a collie dog, famous for his beauty and gentleness, winner of many prizes at dog shows, the pride of the family and neighborhood, has been stolen, and after many days absence he escapes one night from his captor and returns home on a snowy winter's morning with the rope which he broke in his struggles for freedom dangling from his collar.

His familiar bark brings his little mistress, Marjorie, to the door and she throws her arms around her trusty playmate's neck with cries of joy which bring her mother and brother to the door. "Laddie" is equally delighted to be "Home Again" and answers her welcome by putting his paws on her shoulder and resting his head against her breast with a little whine, which, in his dog language means—"Where I Love is Home."

The sweet faced young mother, a woman of soft curves, tender eyes and parted lips—the two glad eyed children—an eager boy with hair like his mother's and the quick gesture of excited boyhood, the warm hearted girl with rippling locks, her affectionate arms around the shaggy neck of the beautiful collie, all go to form a picture that will win a favoured place on the walls of any home.

The picture is by the celebrated artist, Arthur J. Easley, famous for his skillful and sympathetic painting of children and animals.

The beautiful picture "Home Again" on heavy plate paper 22x29 inches all ready for framing will be mailed FREE to every "Family Herald and Weekly Star" subscriber for 1912.

The small sum of one dollar will secure that best of all weekly papers for a full year including a copy of the charming picture "Home Again" which alone is easily worth a two dollar bill, in fact it could not be bought for that price.

Conservatives Win Elections

The Provincial bye-elections in Calgary, Gleichen, Lethbridge and Pincher Creek were held on Tuesday and to say the least were surprising in the majority given to the Conservative candidates. It was practically conceded that Tweedie of Calgary would win out, but in the other constituencies the question was doubtful. The feeling over the bye-elections did not run so

high as at the late Dominion elections. The result of the elections were as follows:

Calgary—T. M. Tweedie, (Cons.), 1,100 majority over T. J. S. Skinner, (Liberal).

Gleichen—H. W. Riley, (Cons.), 351 majority over J. P. McArthur (Liberal).

Lethbridge—Dr. T. J. Stewart (Cons.), majority placed at 182 over S. J. Shepard (Liberal).

Pincher Creek—John Kemmis (Cons.) majority conceded but not known as yet, over John Ross, (Liberal).

There will be seven Conservatives, 12 Liberal insurgents and 22 government supporters in the local legislature now.

One Killed Several Injured

A bad wreck occurred on a siding between Carstairs and Crossfield on the C. P. R. on Wednesday when the early morning train which reaches Didsbury about 3 o'clock ran into a freight train which was waiting on the siding for the passenger to go by. It appears that an open switch was the cause of the accident.

The fireman of the passenger was instantly killed and the engineer was badly injured, as was also the baggage-man, but no one was injured on the freight train. The baggage coach was wrecked and the engine was completely demolished. Several of the passengers were badly bruised but so far as known no other persons were seriously injured except the train crew.

There were a few residents of Didsbury and district on the passenger train but luckily none of them were hurt.

They were taken back to Crossfield to wait for the next north bound train.

Killed—F. Currie, fireman.

Injured—J. Houston, engineer, J. Carson, baggage man, and —Parsons, brakeman.

There is little danger from a cold or from an attack of the grip except when followed by pneumonia, and this never happens when Chamberlain's Cough Remedy is used. This remedy has won its great reputation and extensive sale by its remarkable cures of colds and grip and can be relied upon with implicit confidence. For sale by dealers everywhere.

Indicted For Manslaughter

Lacombe, Alta., Oct. 27.—That Everett G. McLeod came to his death from injuries received from the explosion of a trunk in the baggage room of the C. P. R. depot, at Lacombe on the evening of October 12, 1911, and from evidence produced it is the opinion of the jury that the trunk causing the death of the said Everett G. McLeod was checked over the C. P. R. from Red Deer to Lacombe by Henry Leonard Nein and Harry Leine.

Bickford, the assistant baggage man, who was also severely injured at the time, was able to leave the hospital and appear before the jury. He is still very weak and suffers from the severe burns received. His evidence was with reference to the trunk which exploded and which was taken off the train by him on the evening of the accident.

From evidence brought out the trunk contained a large amount of potassium chlorate and magnesium metal powder.

Leine and Nein were taken to Fort Saskatchewan by the R. N. W. M. P. to await a preliminary trial on a charge of manslaughter.
